2018

Issue 10

Our Vision is for... all members of the school community to work together to develop happy, confident and enthusiastic children who thrive in a stimulating and exciting environment—an environment where there is mutual respect so that each child develops a lifelong love of learning.

Robinwood

Last weekend a selection of our Year 5/6 children attended the residential at Robinwood. It was an amazing weekend of firsts and courage, teamwork and confidence building. The behaviour of the children was exemplary and their made us all very proud. It was my first time at Robinwood and I was very impressed by the whole experience that is offered to the children.

I would also like to thank all the staff who were totally committed to ensuring that the experience was a memorable one for all the children. Their time and energy given over the weekend is truly appreciated. A particular thanks to Mrs Coventry who organised the trip.

Further to this we are holding a Robinwood Meeting for all our current Year 5 parents for next year on Thursday 21st June at 3:15pm. If you are new to the residential please come along to see what a wonderful and beneficial experience it can be for your child.

Photographs

Due to safeguarding please may we remind you only to put photographs of your own children on social media as we have children in school who cannot be photographed.

Drop off and Collection

Further to my notification this week please could I ask parents to be considerate at drop off and collection times. Please do not park up opposite the school gates and try to enable a free flow of traffic along Learning Lane at these busy times. The safety of our children is paramount. Thank you for your cooperation.

Sponsor Money

Please may we ask that if you have any outstanding sponsor money from the sponsored walk, could you please hand it in as soon as possible so we can announce a final figure. Many Thanks.

Zac in Chestnut

Last Friday Zac in Chestnut class completed a sponsored run around Headingley Stadium. He and his cousin completed 5 laps in 8 mins 44 secs, and have raised £1500 so far which is fantastic! The money raised is going to Ataxia UK and helping to fund a junior doctor for a year. Well done Zac!

Payments for Lunches and Before and After School Club

We continue to have a significant amount of outstanding payment for these facilities. Please note that payment up front is required in order to ensure that debts are not incurred. We will be unable to offer these facilities to children in the future should debts over £30 not be cleared promptly. Our admin team are currently sending letters following several reminders through the APP. Please be aware that we are not wanting to cause any inconvenience for parents but we are unable to cover operation costs without the payments. Many thanks for your cooperation.

Sport Kit

A big thank you to APC clothing, Tadcaster for providing 10 printed sports tops for school - we entered their raffle and were lucky enough to win! These are being modelled in the picture with the new shorts we have purchased and will be worn when children attend team sporting events.
