Mrs Coventry will be covering Willow Class for Miss Clegg when she takes her PPA time.

Teachers planning, preparation and assessment time will be covered by the HLTA staff - Mrs Brown / Miss Kellett/ and Mrs Broom.

The year groups at Whitley and Eggborough vary considerably in number across the school with the smallest being 19 and the largest 37 and therefore we are unable to maintain discreet year groups. Please note that we have organised the classes on where we feel the children will be best placed to progress with their learning and self-confidence as well as taking into consideration the class sizes within the school, which are all very similar. Children in all classes will be taught their age appropriate curriculum and challenged accordingly to their needs, in order to support their progress. Please note that with the current organization we have been able to keep the class sizes to under 30.

Your child is in please see email scheduled for 15:45.

Our whole school transition day will take place on Wednesday 29th June 2022. The children should arrive and be registered in their current class and then we will ask them to move to their new classes. The teachers of their current classes will release them at the end of the day as usual.

In the meantime - we hope your children are becoming excited about starting with us in September.

Yours faithfully

Sarah Jackson
